

# Groovy Lab in a Box

## Science That Grows With You

Educational service providing hands-on STEM projects for children ages 8 and up.

### What's in our boxes?

- All materials needed to complete the box activities
- A 20+ custom-designed, subject-specific Lab Notebook
- Access to our Beyond...in the Box web portal for extended learning opportunities and additional activities
- An Engineering Design Challenge – the culmination of the children's learning
